Dear Ms. Harris,

Thank you for submitting Vance-Granville Community College's (VGCC) initial application to participate in the National Council for State Authorization Reciprocity Agreements (NC-SARA). The application is complete, and based on our review, VGCC meets all requirements for participation.

Accordingly, I am pleased to inform you that the application from VGCC to participate in SARA has been approved through SARA North Carolina by the State Education Assistance Authority, which is recognized by S-SARA, the SARA partner for the Southern region, as the State Portal Entity for North Carolina.

To finalize participation, a confirmation email from NC-SARA, with details for remitting the annual fee required by the National Council, will be sent to you. Once payment is received, your institution is considered to be officially participating in NC-SARA and will be listed on both the NC-SARA and SARA North Carolina web sites.

Please let me know if you have any questions about your membership in NC-SARA.

Congratulations to you and your staff, and thank you for becoming a NC-SARA institution. We look forward to continuing our work with Vance-Granville Community College to provide a quality and efficient state authorization reciprocity regime.

Respectfully,

Terrence R. Scarborough, M.P.A.
